

 EASY STORAGE

BODY WORN CAMERA

CAMERA

LTE/4G/3G/WIFI LIVE STREAMING

3600mAh BATTERY, 13H RECORDING

Key features

- **High quality recording:** Record resolution up to 2688x1512 (1512P).
- **Live Streaming:** The camera has the ability to stream in real time via 4G or WiFi connectivity. The operator can also understand the wearer's position by built-in GPS. Alternatively, camera wearer can send an alert back to the control centre with their live video, GPS location details.
- **13-Hour full shift battery life:** Up to 13 Hour Battery Life ensures your camera lasts a whole shift which is critical to ensuring recording capability.
- **Record file protection:** Using the AES256 encryption technology, the record file in the camera will be safe and protected from unauthorized access.
- **Interphone function:** By pressing the PTT button on the camera, the camera can work like a walkie talkie and talk to other cameras anywhere in the world via 4G or Wifi connectivity.
- **External camera:** The camera can connect with an external camera which can work in a complete stealth mode.
- **Facial recognition:** The camera can scan and recognize the faces of potentially everyone they see while on patrol.
- **Rugged and Waterproof:** With rugged design and IP68 waterproof, the camera stands up to the most extreme environments. The camera can survive drops & impact. It can also be used in the rain, dust and extreme temperatures.

MODEL NO.	BC107 / BC107G4
Video resolution & frame rate	25fps@(2688×1512)/30fps@(2560×1440)/30fps@(2304×1296)/30fps@(1920×1080)
Video format	MP4
Angle of view	126 degrees (HOV)
Storage capacity	Standard 32GB storage. Upgradable to 256GB storage
Night vision	Up to 7 meters with visible face detection
Options	4G/LTE, GPS, WiFi, bluetooth, external camera, facial recognition, plate number recognition, voice control, G-Sensor, voice broadcast
Pre&Post recording	Pre-event recording: 10s, On/Off configurable Post-event recording: Configurable
Encryption	AES256 encryption
Battery life	13 hours of continuous recording @1920x1080
Charge time	1A power adaptor, 5 hours charging
IP rating	IP68
Operating temperature	-30 ~ +55
Size	3.29" x 2.01" x 1.09" (83.6mm x 51.1mm x 27.7mm)
Weight	6.6oz (188g)

STANDARD KIT
